WORK EXPERIENCE

Software Development Intern | Ghai Technologies Private Limited | [LINK](#) Feb 2026 – Jul 2026

- Developed **15+** responsive web pages and reusable UI components, improving usability and mobile responsiveness.
- Integrated **8+** RESTful APIs for Google/Facebook auth, memberships, and payments, collaborating in an Agile environment.
- Resolved **40+** UI/functional bugs, improving app performance, testing accuracy, and Git-based SDLC workflows.

PROJECTS

FutureMedia - A Social Media Platform | [WEBSITE](#) Mar 2026 – Jul 2026

Tech Stack: React.js, Node.js, Express.js, MongoDB, Socket.io, Docker, JWT, Cloudinary, GitHub Actions

- Architected a social platform (React, Node.js, Express, MongoDB, Socket.io, AI microservice) with **40+** APIs and 6 collections.
- Containerized **5** services with Docker Compose, enabled messaging via Socket.io, secured with **6+** layers, JWT and RBAC.
- Built an **8**-page app with **9+** components, integrated Cloudinary for media, and configured CI/CD via GitHub Actions.

ScholarBoard - Student Performance & Placement Platform | [WEBSITE](#) Jan 2026 – May 2026

Tech Stack: React.js, Node.js, Express.js, MongoDB Atlas, JWT, Cloudinary, Nodemailer, REST APIs

- Architected a full-stack MERN platform with **3** dashboards and **40+** secured REST APIs for auth, RBAC, and talent discovery.
- Engineered a **6**-pipeline approval workflow system with **5** automated escalations, audit tracking, and Cloudinary-linked storage.
- Integrated **4** external services and a personalization engine mapping **100%** of records into **2** tracks with zero downtime.

CERTIFICATIONS

All Certificates

- ServiceNow**, Jaipur (Virtual):
 - Certified System Administrator (CSA) Jun 2026
 - Certified Application Developer (CAD) Jun 2026
- McKinsey Forward Program (Certified) – **McKinsey & Company** Jun 2026
- Samatrix.io**, Jaipur
 - Foundation of AI & Data Science, Probability Modeling & Statistics, Deep Learning, Neural Networks 2023 - 2026

ACHIEVEMENTS

- Solved **810+ DSA problems** across **LeetCode** (600+, Max Rating: 1779), **GeeksforGeeks** (120+), **Code360** (70+, Max Rating: 1506), and 20+ on other competitive programming platforms.
- Winner – CodeHunt (JECRC University) | Ranked 1st among **25** teams in a three-stage coding & logic competition.
- Finalist – CodeATHon 1.0 (JECRC University) | Advanced to the top **25** of **500** participants across 2 rounds, finishing in the top **10** by solving 2 medium-level DSA problems in the final round.
